## Experience

### MarketSpace Agency

*Associate Designer | June 2024 - Present*  
Create and deliver designs for a wide range of client projects, including logo design, branding, wireframes, print, and conceptualization. Ensures all work aligns with brand standards and manages designs across four social media accounts.

### Freelance / Various Clients

*Designer | Sept 2024 - Present*  
Collaborate with clients across industries to transform ideas into finalized creative assets. Designed logos, developed website wireframes, and created marketing materials including brochures, web advertisements, and pamphlets.

### Penn State Alumni Association

*Design Intern | Fall 2023 - Summer 2024*  
Conceptualized and created promotional branding and assets ranging from print, logos, social media, and merchandise for Penn State Alumni and students.

### Guardian Protection

*Design Intern | Summer 2023*  
Created interactive graphics for various training documents and e-learning courses. Supported in the creation of social media assets, email blasts, animations, and presentation templates.

### Sparq Designs Agency

*Marketing Intern | Summer 2023*  
Produced brand materials, including logos, icons, color schemes, print, and digital marketing materials for a local initiative. Assisted in the development of client social media content.
